In2ition[®] - Two Showers in One

6468 Series

STANDARD SPECIFICATIONS

- Five spray settings
 - Full Spray
 - Drenching Full Spray
 - Fast Massage
 - Full Spray with Massage
 - Trickle
- 1/2"-14 NPSM connection point
- Overall depth: 6.6 in. (168 mm)
- Overall width: 6.2 in. (158 mm)
- Overall height (less hose): 11.9 in. (303 mm)
- Weight: 2 lbs. 4.9 oz. (1047 g)
- Flow rate of 2.5 gpm (9.5 lpm) @ 80 psi
- Includes double check valves for backflow prevention
- Integrated three-way diverter with easy-turn lever handle allows hand shower and shower head to operate independently or together
- Includes stretchable (60"- 82") stainless steel constructed hose
- Multi-function hand shower integrally mounted
- Manufactured using engineering grade plastics
- Available in boxed packaging

WARRANTY

- Limited Lifetime Warranty (see below)

COMPLIES WITH

- ASME A112.18.1/CSA B125.1

Flow rate noted is for the hand shower or shower head operating independently

WARNING: Plumbing Codes require that shower heads and hand showers provide a small but continuous flow of water (trickle) when in "PAUSE" mode. Because of this continuous flow, in certain circumstances pressure variations in the water line and/or changes in the position of shower temperature control handle while in "PAUSE" mode could result in dramatic changes to the temperature of the water when the shower head or hand shower is returned to the "ON" position.

ALWAYS point the shower head away from yourself when returning to the "ON" position and feel the water with your hand before resuming your shower to ensure the water flow is not too hot or too cold. **DO NOT** allow children or others who might not understand this warning to use the "PAUSE" function.

Finishes Available	Model Number
Mustang Red	6468 C 4410 BX
Oil-Rubbed Bronze	6468 3710 BX
Satin Nickel	6468 3110 BX
Brushed Chrome	6468 C 2310 BX
